HAWKE'S BAY | NEW ZEALAND

Located on the east coast of the North Island, the landscapes of Hawke's Bay begin with the high, forested Ruahine and Kaweka Ranges. From the mountains the land sweeps down towards the coast, flattening out to become the Heretaunga Plains. A number of wide rivers, excellent for fishing, run swiftly to meet the blue Pacific Ocean and glorious beaches stretch from Mahia in the north to Porangahau in the south.

The Askerne Winery Cottage is an exclusive self contained cottage set in the midst of 20 hectares of Askerne vineyard. There are wonderful views out over the vineyard.

The cottage is a 5 minute drive from Havelock North which offers an excellent range of shopping and fine dining. It is a 10 minute drive to Hastings and a 15 minute drive to Napier.

Ocean Beach and Waimarama Beach offer excellent swimming and surfing and are about a 30 minute drive away. The Tuki Tuki River offers excellent fly fishing and there are two International Golf courses within a 20 minute drive.

During your stay enjoy a gentle vineyard walk or stroll down to the Tuki Tuki River at the rear of the property to reach picnic and swimming spots.
